Forensic Document Examination and Footwear Impression
Evidence Examination Lunch & Learn
12:00 p.m. to 1:00 p.m.
1 Hour CLE General Credit
Bruce Thompson Federal Courthouse

This presentation will discuss the various examinations conducted by a forensic document examiner and footwear impression evidence examiner, the areas of law that benefit from these examinations, and how the forensic disciplines satisfy NRS 50.275: "If scientific, technical or other specialized knowledge will assist the trier of fact to understand the evidence or to determine a fact in issue, a witness qualified as an expert by special knowledge, skill, experience, training or education may testify to matters within the scope of such knowledge."

Presented by: Jan Seaman Kelly
Forensic Scientist
